By execution of this agreement, the undersigned member/customer agrees to payment of outstanding debt for water service as set forth below:

I agree to pay in full the current monthly water bill, plus one-third of the past due amount by the 15<sup>th</sup> of each month for three consecutive months to bring the balance due on this account to \$0.00. Failure to comply with this deferred payment plan will result in disconnection of service. **All fees** including late, past-due, disconnect fees, and the current monthly water bill will be due before water service is re-connected.
